Sports Day Procedures

Dear Quinta Families,

Preparations for Sports Day are well underway, and we're excited to welcome those of you who are able to attend. Please read the following information carefully, as there are a few important changes to our procedures this year to help ensure everyone's safety.

Entry and Exit

To help us manage attendance, we ask that all parents complete the

[**Sports Day Registration Form.**](#) This form will allow you to specify which spectators you are authorising to attend - if not completed access will not be granted to this event.

Access to the event will be through the gate closest to Preschool. This entrance and exit will be monitored at all times, and attendees will be checked in and out against the names provided on the registration form.

Toilets

Parents will have access to the front-of-school toilets only, via the school office. Please report to the office staff upon arrival so they can sign you in.

Sports Day Procedures

Viewing Area

Parents will be permitted in a designated area only – the green triangle shown on the map below. This is the same area traditionally used for viewing the track events. It will be roped off for safety, and the astro netting will be pulled back to provide clear visibility of all activities.

We appreciate your cooperation in following these procedures to ensure a safe and enjoyable day for all.
