Autumn Term Clubs 2025

AutumnTerm After School Clubs 2025

All clubs will begin during the week starting 15th September.

Please note that places in clubs are limited. You will receive a confirmation text/email before the club start date if your child has been allocated a place in their chosen club

If a club is oversubscribed, places will be allocated based on the order of sign-up. Any remaining children will be placed on a waiting list and contacted if a space becomes available.

If your child is unable to attend a session or decides to stop attending a club, please inform the staff member in charge. It's important we account for all children on our lists and avoid spending time tracking down absentees. If a child misses a club session without prior notice, the school office will contact you to find out why. After **two unexplained absences**, your child will be removed from the club.

Each club will have a contact list to communicate any changes. Clubs will only be cancelled in the event of staff absence. For outdoor clubs, if the weather is poor, sessions will move to a classroom. We'll notify you in this case, should you wish to collect your child early.

Please ensure you are signed up to the **School Spider App**, as all club-related communication will be sent through this platform.

Clubs finish at different times. The organiser will let you know the specific end time for your child's club. If a child is not collected on time, they will be taken to the after-school club, which may incur a charge.

Thank you for your cooperation,
The School Office
