Clarification Regarding Operation Christmas Child Shoe Box Appeal

Following a review, we have decided not to take part in Operation Christmas Child this year. While we fully support the idea of helping children in need, we are not confident that the approach or messaging of the charity that runs the project, Samaritan's Purse, is fully in keeping with our school's inclusive values and commitment to respect for all faiths and backgrounds. We will instead look to support a charitable initiative that reflects our shared ethos of kindness, equality and compassion. If you have a shoe box or items ready to be sent into school we will still accept these and distribute to a charity fully aligned with our values.

Thank you for all of your donations

The Storehouse, New Life Church's Foodbank have sent their thanks to us for all of our donations.

What Parents & Educators Need to Know about FORTNITE

AGE RESTRICTION

WHAT ARE THE RISKS?

With over 650 million registered users, Fortnite remains one of the most played and discussed online games globally. Known for its vibrant graphics, fast-paced gameplay, and cultural crossovers with everything from music artists to superhero franchises, the game continues to capture the attention of young people. This guide outlines the risks trusted adults need to know about, including game updates, and offers practical safety tips to help address them.

ALWAYS ONLINE

There's no single-player, offline mode in Fortnite; it can only be played online. Internet access can sometimes be an issue when you're out and about, both in terms of connectivity and using up data. You may find that dedicated, young Fortnite players are often less enthusiastic about family time or trips away – such as days out and holidays – than you might expect.

IN-GAME COSTS

Fortnite is free to download and play, but it does offer various additional purchases – limited-time cosmetic 'skins', music tracks, LEGO items, and battle passes. Children can feel pressured to spend money on V-Bucks – the in-game currency – to avoid missing out, particularly as exclusive items rotate frequently. Some items may not return to the store for years, while Battle Pass rewards are often 'gone when they're gone'.

VIRTUAL VIOLENCE

There's no avoiding that Fortnite is about shooting other players to eliminate them from the contest. That said, there's no blood or gore. The violence is rendered in a cartoonish style, and there are frequent comical touches to lighten the mood, such as mini-games and emotes. Guns and other weapons often look and behave realistically, so discretion is advised. Past seasons have introduced characters and references from mature franchises like The Witcher and Halo.

CROSSPLAY AND PARTY CHAT

Fortnite is popular with many gamers of various ages. Crossplay allows friends to play with each other, regardless of whether they're on an Xbox, PlayStation, Nintendo Switch or PC, while the Party Chat feature allows them to talk to each other during the game. This can put youngsters at risk of exposure to strangers, inappropriate language, and cyberbullying.

FREQUENT UPDATES

Seasonal releases introduce new map changes, gameplay mechanics, and cosmetics. Ongoing updates can increase screen time and potential for obsession as children try to unlock rewards before the season ends. These regular renewals help to hold players' interest, but also give young gamers plenty of reasons to keep coming back. Seasons often change thematically.

POP CULTURE REFERENCES

Part of Fortnite's appeal is its ongoing crossovers with other popular franchises, ranging from films and TV shows like Power Rangers and Avatar: The Last Airbender, to comic book characters including Batman. Other collaborations with series, artists, and influencers may expose children to music, language, or ideas that are more suitable for older audiences.

Advice for Parents & Educators

DISCUSS SAFE SOCIAL INTERACTION

Talk with children about who they're playing with online. Coordinate play time with the child's friends for socialisation and safety in numbers. Encourage them to avoid private voice chats with strangers and remind them not to share personal information. Use real-life examples to explain potential risks, and remind them that if they see something concerning, they should tell a trusted adult.

SET SPENDING LIMITS

Fortnite's rotating store is a not-so-subtle mechanism for coaxing players into buying sought-after items before they disappear for weeks or months. This could lead to surprise transactions on bank cards if children are tempted into an impulse purchase. Parents could consider getting a prepaid card for the child or ensuring that purchases require adult authorisation. This can be done through parental settings on a console or account settings in the Epic Games app on PC.

ENJOY FORTNITE TOGETHER

Fortnite also offers split-screen gameplay, meaning that two people can play simultaneously on the same console or computer. This can be a good option for siblings or for when a child's friends visit, but it also offers an opportunity for parents to do something fun with their child, while making sure they're playing the game safely. Who knows? You might even teach them a thing or two!

BE WARY OF SCAMS

The immense popularity of Fortnite with younger audiences – that are generally more trusting – means there's no shortage of scammers looking to fraudulently obtain passwords and other personal data through techniques like phishing. As the developers point out on many of Fortnite's loading screens, they never ask for a player's account password outside of the game. Make sure any young player knows this.

What Parents & Educators Need to Know about EA SPORTS FC 26

AGE RESTRICTION
PEGI
3

WHAT ARE THE RISKS?

Our guide looks at the risks surrounding EA Sports FC 26 and our top tips to minimise them. This marks the third year since EA left the FIFA licence, and the game is mostly unchanged from last year. While Kick-Off mode is great for playing with friends and Career Mode allows players to fulfil long-term ambitions as a manager or player, Ultimate Team remains the main draw for many players – and it can get out of hand in terms of how much money players can invest.

AN ANNUAL RELEASE SCHEDULE

As was the case with the last two EA Sports FC games and the FIFA series before it, the franchise rolls out once a year with updated squads and new features. This can make it expensive to keep up with, particularly when so many dedicated players are keen to get their hands on the latest edition.

VOICE CHAT

Voice chat can be enabled across all platforms, meaning young people can speak to anyone they play with or against. While it can be switched off, some children will no doubt want to speak to their friends while they play. This also means they may encounter strangers much older than them, which can expose them to inappropriate language or behaviours.

IN-GAME PURCHASES THROUGH ULTIMATE TEAM

Ultimate Team is the big draw for EA Sports FC, letting players spend real money on packs that they can open to build a squad of the world's best players. They're not always easy to obtain, and new, improved versions of players will be regularly added as limited-time offerings. Young people could feel pressured into spending money and experience fear of missing out.

SCAMMERS IN ULTIMATE TEAM

Ultimate Team is managed by EA itself, but that hasn't stopped scammers from looking to dupe players out of money and in-game coins. Some scammers sell their accounts, which is a violation of EA's terms of service, while others will 'sell' coins – something the developer is still working to crack down on. Some try to gain access to others' accounts, potentially giving them access to payment information.

POTENTIAL FOR ADDICTION

While EA Sports FC is potentially addictive, thanks to its fast-paced gameplay and mirroring of the real-world skill and glamour of football, Ultimate Team's focus on limited-time rewards and the lottery of winning packs can make it feel closer to gambling than gaming, which may lead to addiction and impulsive spending of money.

Advice for Parents & Educators

PREPARE FOR ANOTHER GAME IN A YEAR

The annual-release cadence aligns with the return of the school year, and can be a great way to incentivise good behaviour at the start of term. If children are applying themselves and preparing for a new year of school, or were particularly well behaved in the summer, EA Sports FC 26 could make a great reward.

LIMIT SPENDING

If you're worried about children accidentally spending real money in Ultimate Team, whether in game or on the EA Sports FC companion app, don't link a payment card to their account. Reclaiming funds can be a mountain to climb, and the dopamine hit of opening flashy packs with slick animations means one purchase can lead to another very quickly. It's also worth adding a prepaid card if you'd prefer them to make their own choices with their budget.

MONITOR VOICE CHAT

As in-game chat is open, be sure to adjust the settings in EA Sports FC 26 to lock it down. If children want to chat with their friends while they play, consider setting up a safe space for them to call, to allow them to play without fear of outsiders.

BE VIGILANT

As with last year, there are ways to keep scammers at bay. Ensure passwords are locked down, and consider using a password manager application to keep them secure. EA will never contact players through the game itself, so be vigilant with incoming messages, and block and report suspected spam. EA will contact players by email if needed, but they will never ask for usernames or passwords. Players should also avoid buying in-game currency from unofficial websites – doing so can lead to accounts being banned and could cost players money in the process.

Taking Holiday in Term Time

“Here at The Quinta we are passionate about providing your child with the best learning experience. We understand on some instances it is essential to take your child out of school but please be aware of the new fining structure.”

If you wish to view the attendance policy including penalty notice fining structure this can be found on our [website here](#)

PENALTY NOTICE FINES FOR SCHOOL ATTENDANCE ARE CHANGING !

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force on 19 August 2024.

Penalty Notices will be issued for

Term time leave: Penalty Notice fines will be issued for term time leave of 5 or more consecutive days.

10 Sessions of Unauthorised absence in a rolling 10 week period: A Penalty Notices may be considered when there have been 10 sessions of unauthorised absences in a 10 week period.

However, we retain the discretion to issue a Penalty Notice before the threshold is met. For example, where parents are deliberately avoiding the national threshold by taking several term time holidays below the above thresholds.

Per Parent/Per Child

Penalty Notice fines will continue to be issued per parent per child. For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

First Offence

The first time a Penalty Notice is issued for term time leave or irregular school attendance the fine will be charged at:

£160 per parent, per child if paid within 28 days of the issue, reducing to £80 per parent, per child if paid within 21 days.

(Unpaid penalty notices may result in a parental prosecution)

Second Offence

Where it is deemed appropriate to issue a second penalty notice to the same parent for the same pupil within 3 years of the first penalty notice, for either term time leave or irregular attendance the second penalty notice will be charged at:

£160 if paid within 28 days. (Unpaid penalty notices may result in a parental prosecution)

Third Offence

On the third time that an offence is committed within 3 years of the first penalty notice for either a term time leave or irregular attendance a penalty notice will not be issued. The case may proceed to Parental Prosecution under the Single Justice Procedure. If found guilty of the offence of 'Failure to send a child to school' the Magistrates can impose a fine up to £1000 or legal proceedings under Section 444 (1a) can include a fine of up to £2500.
