Happy New Year and Welcome Back

A very warm welcome back to all our families as we begin the spring term. I hope you had a restful and enjoyable break. It was lovely to see everybody ready and refreshed on the Stop Day; although parents definitely looked less refreshed and ready by the end of it!

I would like to begin by thanking you for your understanding and flexibility earlier this week when we had to close school on Tuesday 6 January due to the weather conditions. Decisions like these are never taken lightly and we really appreciate the calm, supportive way our community responded.

As shared with you in the final week of the autumn term, we have made some changes to our school timetable this term. These adjustments are designed to create clearer structure to the day, maximise learning time and strengthen routines across the school. Over the coming weeks, we will be reviewing and refining these changes as we assess the impact and progress as they become embedded so they work in the best interests of the children.

We are also delighted to be offering even more new opportunities this term, including fishing workshops taking place over the next two Fridays, which link learning, wellbeing and outdoor skills. In addition, our extra-curricular clubs will begin next week. For further information, please see page 3.

Looking ahead, Parents' Evening will be held during the week commencing 23 February, shortly after half term. Further information about how to book appointments will be shared nearer the time.

Finally, we have been reviewing our school menus over the course of the year and have decided to introduce four new seasonal menus: Autumn (September–October), Winter (November–December), Spring (January–Easter) and Summer (Easter–August). Details of these menu changes will be communicated in the coming weeks.

Have a restful weekend,

Mr. Sharpe
Head Teacher

We have been offered the opportunity to take part in a fishing workshop delivered by the Angling Trust during the school day. All children in KS1 and KS2 will take part over the next two weeks; however, this week the workshop will be for KS2 pupils. The session will include fishing-related games, as well as discussions about caring for the environment and staying safe near water.

Extra-curricular clubs information in the lead up to them starting week commencing 12th January

As you will have seen, we sent out the extra-curricular club sign-up via School Spider on Thursday evening, and it has been wonderful to see such a high level of interest in the opportunities available. The clubs have been extremely popular, and waiting lists are being created for any that are oversubscribed. If your child is successful in securing a place, the member of staff running the club will contact you by 6pm Monday 12th January (Monday clubs excluded).

If your child is unable to attend a session or decides to stop attending a club, please inform the member of staff in charge as soon as possible. It is important that we can account for all children on our registers and avoid time being spent tracking down absentees. If a child misses a session without prior notice, the school office will contact you to establish the reason. After two unexplained absences, your child will be removed from the club.

Each club will have a contact list to communicate any changes. Clubs will only be cancelled in the event of staff absence. For outdoor clubs, sessions will move indoors if the weather is poor. Parents will be notified in these cases should they wish to collect their child early.

Clubs finish at different times, and the organiser will confirm the end time for your child's club. If a child is not collected on time, they will be taken to the after-school club, which may incur a charge.

Navigating Your Child's Digital World: A Guide for Parents

Take a look at the guide below. This guide is designed to clarify some of the challenges involved in managing children's digital lives. Its purpose is to support and encourage open conversations with children, making these discussions easier and more effective. The guide offers practical advice on setting boundaries and addressing important, sometimes difficult topics—not just once in passing, but through ongoing, regular conversations.

Swimming with whales, flying rockets to the moon or adventuring through the desert- every class is different!

Each session will explore movement in a new way and help to develop physical skills, harness musicality and empower confidence in young children.

Each child will have the opportunity to work towards taking a Rambert Grades Creative Movers exam, which are a celebration of each student's progress at the end of each grade. Each child is rewarded with a bright fabric badge and a certificate.

Taking Holiday in Term Time

“Here at The Quinta we are passionate about providing your child with the best learning experience. We understand on some instances it is essential to take your child out of school but please be aware of the new fining structure.”

If you wish to view the attendance policy including penalty notice fining structure this can be found on our [website here](#)

PENALTY NOTICE FINES FOR SCHOOL ATTENDANCE ARE CHANGING !

With the introduction of the new National Framework for Penalty Notices, the following changes will come into force on 19 August 2024.

Penalty Notices will be issued for

Term time leave: Penalty Notice fines will be issued for term time leave of 5 or more consecutive days.

10 Sessions of Unauthorised absence in a rolling 10 week period: A Penalty Notices may be considered when there have been 10 sessions of unauthorised absences in a 10 week period.

However, we retain the discretion to issue a Penalty Notice before the threshold is met. For example, where parents are deliberately avoiding the national threshold by taking several term time holidays below the above thresholds.

Per Parent/Per Child

Penalty Notice fines will continue to be issued per parent per child. For example: 3 siblings absent for term time leave, would result in each parent receiving 3 separate fines.

First Offence

The first time a Penalty Notice is issued for term time leave or irregular school attendance the fine will be charged at:

£160 per parent, per child if paid within 28 days of the issue, reducing to £80 per parent, per child if paid within 21 days.

(Unpaid penalty notices may result in a parental prosecution)

Second Offence

Where it is deemed appropriate to issue a second penalty notice to the same parent for the same pupil within 3 years of the first penalty notice, for either term time leave or irregular attendance the second penalty notice will be charged at:

£160 if paid within 28 days. (Unpaid penalty notices may result in a parental prosecution)

Third Offence

On the third time that an offence is committed within 3 years of the first penalty notice for either a term time leave or irregular attendance a penalty notice will not be issued. The case may proceed to Parental Prosecution under the Single Justice Procedure. If found guilty of the offence of 'Failure to send a child to school' the Magistrates can impose a fine up to £1000 or legal proceedings under Section 444 (1a) can include a fine of up to £2500.

Fundraising for School

There are so many ways that you can help support your school, lots that don't even cost you a penny it's just simply the knowledge of how to do it and sign up. Take a look at the below, with just a few moments of your time you could make a massive difference to the school fundraising.

The Quinta Primary School Lottery has been set up specifically to raise money and make a difference for our children!

The School Lottery is an exciting weekly lottery that raises money for schools in the UK. All schools supported by the lottery will benefit the UK and its residents. Tickets for the lottery cost just £1 per week, with a top prize of £25,000!

Each ticket will consist of 6 numbers and each number will be between 0 and 9. There will be a draw every Saturday night when a 6 digit winning combination will be picked. Match all 6 and you win the JACKPOT!

There is also a guaranteed winner for each school every Saturday which is drawn on a raffle basis, so there are two chances to win a prize.

The lottery and its prizes are our way of putting the fun in fundraising. The real winners are the schools. From every £1 ticket sold 40p will go to schools in the UK! To put this in perspective when you play the National Lottery 25% goes to good causes – we've nearly DOUBLED the ticket percentage that goes to schools.

Even better, you can choose which school benefits from 40p of the ticket sales. You know (and you can see) that your money is going back into your community and your school will benefit from your contribution.
