Important Dates and Events Coming Up

Dear families,

A Fantastic Few Weeks – With Just One Week to Go!

We've had a wonderful start to July, with so much to celebrate across the school. There's been plenty happening, and you'll find a snapshot of some of our recent highlights below.

I'd also like to say a huge thank you for your continued support during this recent spell of exceptionally warm weather. The children have shown great resilience and have coped brilliantly despite the challenging conditions.

As we approach the end of another successful school year, we still have some exciting events to look forward to! Our fantastic Friends of Quinta PTA have kindly organised a **School's Out Colour Run on Thursday 16th July**, followed by a refreshing ice lolly treat for every child on Friday 17th July. These events are completely free and are the PTA's way of saying thank you for the incredible support our families have shown throughout the year. You'll find more information on the following pages.

A quick note about end-of-year reports: these will begin to be emailed this evening and will continue to be sent over the weekend. As the system automatically works through all 500 pupils and their associated family contacts, reports may arrive at different times. If you have more than one child in school, their reports may not be delivered together. If you have not received your child's report by Monday, please let your class teacher know.

Thank you, as always, for your continued support. We look forward to celebrating the end of another fantastic school year with you all.

Have a wonderful weekend.

Mr Sharpe
Headteacher

Heat Health Alert – Information for Schools, Parents and Carers

The UK Health Security Agency (UKHSA) has issued an Amber Heat Health Alert for the North West, which will be in effect until 9pm on Sunday 12 July. High temperatures can affect everyone, but babies, young children, older people and those with underlying health conditions are particularly at risk.

Schools and early years settings are encouraged to share the following advice with parents and carers to help keep children safe during the hot weather:

- Ensure children drink plenty of water throughout the day and send them to school or nursery with a refillable water bottle where appropriate.
- Encourage children to stay cool indoors where possible and keep curtains or blinds closed in rooms that receive direct sunlight.
- Never leave a child, baby or pet in a parked vehicle, even for a short period.
- Limit time in direct sunlight between 11am and 3pm, when temperatures and UV levels are typically highest.
- If children are outdoors, encourage them to stay in shaded areas, wear a sun hat and apply appropriate sunscreen.
- Avoid strenuous physical activity during the hottest parts of the day where possible.
- If travelling, carry plenty of water and check for any disruption to transport services.
- Take extra care around rivers, lakes, reservoirs and other open water. Cold water can pose serious risks even in hot weather, so children should always be supervised and local safety advice followed.

Parents and carers are also encouraged to check in on family members, friends and neighbours who may be more vulnerable during periods of hot weather.

For the latest weather updates, visit the Met Office website. If you need non-emergency health advice, contact NHS 111 or speak to your local pharmacist.

Further guidance on staying safe in hot weather is available at: [Advice and support on how to stay safe during hot weather](#)

Kind regards,

School Governance and Liaison Team

Holiday Forms Must be Completed!

We have observed that some parents and carers have been taking children out of school without completing the Leave of Absence Form. Please be reminded that it is a legal requirement for the school to know the whereabouts of pupils at all times. Without prior notification, we will be required to contact home, which could result in unnecessary fines. If you require a holiday form please pop into the office and pick one up.

Dance lessons after school from September

BALLET AND CREATIVE DANCE CLASS

Creative Dance for Early Years is an innovative dance syllabus, created by Rambert Grades. Each dance class will take the children on an imaginative journey with endless themes. An energetic warm up is followed by physical skills development as the children learn structured movement material. Creative intuition is encouraged with a closing creative exploration to dive deep into their imagination. Swimming with whales, flying rockets to the moon or adventuring through the desert- every class is different!

Each session will explore movement in a new way and help to develop physical skills, harness musicality and empower confidence in young children.

Each child will have the opportunity to work towards taking a Rambert Grades Creative Movers exam, which are a celebration of each student's progress at the end of each grade. Each child is rewarded with a bright fabric badge and a certificate.
