

Year one Learning Narrative - Spring

R.E.

This term our key question will be looking at "Who is Jewish and how do they live?" We'll start by looking at special objects in the Jewish faith.

Science

This term we'll be looking at everyday materials. We will be exploring if all paper is the same and investigating if objects can be made from different materials. We will also explore the seasons and wonder 'How does the weather change across the seasons?'

Geography

This term we'll be asking "Where in the world do I live?" and discovering the United Kingdom. We will be learning where England, Scotland, Wales and Northern Ireland are and what it is like there.

P.E.

Dance and Yoga

Computing

We will be learning about keeping safe online and exploring Programming by creating a Robot Maze Game

D.T.

We'll be asking "How can I make it move?" using simple levers and sliders.

English

Our key text to begin this half term is '*George and the Dragon*'

We will be immersing ourselves in the story and learning key phrases by heart before innovating our own versions in our writing.

Our second key text will be '*Dear Mother Goose*'; where we will use our knowledge of nursery rhyme characters to inspire letter writing.

Maths

This term we'll be revisiting addition and subtraction, expanding our place value knowledge up to 50 and exploring measuring length, height, weight and volume.
