

Trips, visitors and experiences

We have tried to give as much notice as possible for the next academic year for costs of trips. Prices are based on the current information; some prices might go up due to petrol costs/admission price increase.

Highlighted trips show cost to parents to enable the trip to go ahead (see charging and remissions policy). **Items in green** are voluntary/charity activities and are optional. **Items in blue** are free but we will need parental consent via the gateway app.

Children who are eligible for benefit related Free School Meals: we ask for a 50% contribution to cover the cost of the transport and overnight costs for the residential trips in year 4,5 and 6. If you are in need of support for the residential trips of any of the others, please get in touch with the school office and we will try to help, or point you in the direction of someone who can.
