Message from the Head

It has been great to welcome parents, grandparents and other family members to the school over the last couple of weeks as we've started to host our Autumn Forest School Inspire afternoons.

As we look to inspire the children to engage in their learning and experience the joy of attending primary school, it was lovely for you to see the children in our Forest School area being so creative, curious and carefree.

If you couldn't make it, please do not worry. With such a supportive parent body, no child goes unnoticed or unsupported and we ensure that all children have a great time.

Thank you to all those who were able to make it and we look forward to continuing our Inspire sessions next week.

New Age Kurlers

We sent a small group of champion kurlers to the Marches School on Wednesday where Olivia, Lyra, Lincoln and Louis did wonderfully well in the competition which involved pushing stones but no ice or sweeping! It's a game of skill, tactics and control and our children did us proud! Well done all.

Macmillan Coffee Morning

Everyone is invited to join us on Friday morning in the hall for our Macmillan Coffee Morning being run by our Year 6 children. All cake donations welcome.

It's time for a Macmillan Coffee Morning and you're invited

Let's do whatever it takes
to support people living with cancer.

School Photography

Just a short note to say that on Monday morning a photographer will be in school taking some live action snaps of the children in school doing what they do best – learning and having fun! The photographs will be used primarily to update our website.

If the children could look as smart as they did for our video last week, it would be very appreciated.

Thank you.
