Message from the Head

On Monday we celebrated the first church event in the school year calendar with our Harvest Festival.

As always, it was lovely to see the church so well attended as we came together as school community to celebrate this time of year.

The children did brilliantly with a whole a host of performances which were thought-provoking, informative and entertaining! Well done all.

Thank you for your generous donations. These will be donated to local food banks in the coming weeks with the hope that members of our school parliament can deliver the food in person.

Sporting Outings

Our Year 5 and 6 girls ventured won to the Marches School on Wednesday to take part in the annual football tournament.

All of our team do so well and competed admirably against often bigger schools. However, we never gave up and should be proud of our performances. Well done girls!

Parents Evening

Thank you to everyone who attended Parents Evening this week. It was a wonderful opportunity to celebrate the many successes of the children and to share their progress with you.

The partnership between school and home is vital to every child's educational journey. Your support and engagement make a real difference—not only to your own child's development but to the wider school community. It is something we really value, thank you.
