

Year 1 Term 1 - Trains

English

In English, we will be reading lots of stories, including some traditional tales, which will help us develop our sentence writing and use of description. We will be focusing on our handwriting and punctuation in our sentences.

Maths

In Maths we will begin by counting forwards and backwards within 10, comparing numbers, looking at 1 more and 1 less. Then we move on to adding & subtracting within 10, looking at the two parts and the whole number.

Science

In Science, we will be learning about the Human Body, focussing on our five senses. Alongside this, we will be looking at the seasons and investigating and testing the properties of different types of materials.

History

In History we will be answering the question "Why are trains important to Crewe?"

We will look at trains today and compare them to trains from the past. We will look at how the local area has changed, and the impact from trains.

Geography

In Geography we will be looking at how our school and Crewe are special. We will be creating maps of our school and the local area. We will be using compass directions - North, South, East and West.

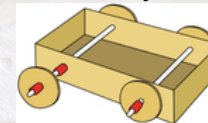

Art

In Art we will be looking at the artist Josef Albers. We will be using printing to create repeating patterns, inspired by Josef Albers. We will also be developing our artistic skills and experimenting with different styles.

Design and Technology

In D&T, we will discover how to join materials to make an axle to make a moving vehicle

PE

In PE we will be demonstrating good movement skills, running, balancing, hopping, as well as fine motor control using tools to pick up objects

RE

In RE we will explore Christianity, focussing on the story of Creation and the beliefs Christians hold about who created the world.

PSHE

In PSHE we will be exploring our feelings and looking at changes in our lives.

Computing

In Computing we will be using a paint program to "draw" pictures and then we will be using Microsoft Word to write our sentences.
