

Reception Autumn

All about me and where I live
Winter Wonderlands

Literacy

We will be enjoying our Nursery Rhyme World, reading We're Going on a Bear Hunt and The Gingerbread Man, learning our first phonics sounds, developing mark making and beginning to write letters, words and simple captions.

Mathematics

We will be exploring numbers to 10, counting, comparing quantities, recognising patterns, investigating shape and beginning to solve simple mathematical problems through practical play.

Communication and Language

We will be sharing stories, singing nursery rhymes, learning new vocabulary, talking about ourselves and our families and developing our confidence to listen, speak and ask questions.

Expressive Art and Design

We will be painting, drawing, singing, dancing, building, creating with different materials and using our imaginations through role play inspired by our stories and seasonal themes.

Physical Development

We will be developing our fine motor skills through mark making, playdough, cutting and threading, alongside improving our balance, coordination and strength through outdoor play and PE.

Understanding the World

We will be learning about ourselves, our families, where we live, our local community, seasonal changes and what happens when winter arrives through exploration and investigation.

Personal, Social and Emotional Development

We will be making new friends, learning our classroom routines, developing independence, understanding our feelings and building confidence as members of our school community.
