

Y2 Summer Parent Letter

Topics we are learning about:

Summer 1:

- History - Emmeline Pankhurst and Equality
- Science - Plants

Summer 2:

- Geography - Map Makers
- Science - Reviewing our KS1 science
(For lesson objectives, please look at our subject pages on the school website.)

Homework:

 **Reading** - Please read with your child at least **4 times a week** and sign their planner. **4+ reads** = a raffle ticket to win a book each half term!

 **Spelling** - New spellings will be stuck in your child's planner every Friday and tested the following Friday.

 **Maths** - Workbook pages set weekly and due in every Friday. Please see overleaf for the homework timetable.

 **Times Tables** - Aim for **20 mins a week** on **TT Rockstars** (logins are in your child's planner). **Numberbots** is also a great way to practise key number facts. Same log in as TT Rockstars.

Times Tables in Y2!

Well done on the amazing progress made so far this year on times tables. It is great to see so many children whizzing through learning their 2s, 5s and 10s to achieve their white band - and even beyond!

Please focus on this at home using TT Rockstars if your child is still working towards their white band. Children learn their red and blue bands in KS2 - but feel free to get a head start once their white band is achieved 😊

PE Days:

Y2 Hurst - Wed and Thurs

Y2 Ferro/Evans - Thurs and Mon.

This term we will be working on our athletics and bat and ball skills.

Dates for your diaries:

Friday 15th May = Suffragette Workshop
FOMBA have paid for an actor to visit our school to bring the children's history topic to life in a fun and interactive workshop. See overleaf (This is not a parent event)

KS1 Sports Day - Day and time TBC.

Bridge Builders:

This year's bridge builders can be found on Seesaw and on the next page. Please complete at least 4 out of the 5 objectives over the course of the year to achieve your child's Bridge Builder Badge (upload evidence to Seesaw). This celebrates your child's commitment to their personal development and the wider community.

SUFFRAGETTE HISTORY WORKSHOP

IN SCHOOL FRIDAY 15th MAY!

DEEDS
NOT
WORDS

BRINGING
HISTORY TO
LIFE!

DATE: Friday 15th May
