OUR CORE VALUES

Our core values: determination; friendship; responsibility; kindness & respect; and trust; guide us in all we do.

The whole staff team, parents and pupils are involved in promoting values and recognising where others are 'living the values'.

The values developed have been selected after consultation with pupils, staff, governors, and parents as values which are important within the school community, and which will be important throughout life.

OUR VISION

Our vision for our children is that they leave Marus Bridge having fulfilled their potential, having acquired the knowledge, skills and understanding of themselves and the world that will equip them to thrive in their next stage of learning.

We ensure children feel a deep sense of enjoyment in all elements of school life, so that they learn and achieve success every day.

PARENT COMMENT:

"We've had our son at Marus Bridge for 3 years now and have been consistently impressed with the care and education he receives. The teachers are passionate and dedicated, and the facilities are excellent - our child loves the outdoor area and the Bridge Builders programme has been a highlight. Highly recommend!"

OUR ETHOS

Our pupils will enjoy the best teaching in a nurturing environment so that each and every child can **'Learn, Enjoy, Achieve'**

OUR CURRICULUM

Our curriculum aims to provide all children with a broad and rich learning experience, enabling the acquisition of knowledge and skills, whilst developing new interests and passions that aim to inspire them to reach their potential in everything they do.

When leaving Marus Bridge, we want our children to have the understanding, confidence and drive to be responsible and transformational members of a diverse and global society.

'The curriculum is well ordered and begins in the early years, where the school has thought about the essential foundations that children need for future learning. This is delivered with expertise to enable children to flourish. There is a seamless transition from the Reception Year into Year 1, which builds on children's knowledge and independence exceptionally well.'

SAFEGUARDING AND PASTORAL CARE

Mr Aldridge

Mrs Atkinson

Mrs Bish

Mrs Boffey

Mrs Miller

At Marus Bridge Primary School we are committed to safeguarding and promoting the well-being of children and young people. We expect all staff and volunteers to share this commitment, ensuring that our pupils feel happy and safe. Our goal is to create a nurturing and secure environment, complemented by a curriculum that fosters self-esteem and independence. Furthermore, we believe it is essential for children to understand how to stay safe both online and in the ever-evolving world around them.

Mr Ross Aldridge, Headteacher, is the school's Designated Safeguarding Lead, supported by Mrs Bish, Mrs Atkinson, Mrs Boffey, and Mrs Miller who are the Deputy Designated Safeguarding Leads.

At Marus Bridge Primary School, the pastoral care of our pupils is a top priority. We are fortunate to have an experienced, full-time Pastoral Manager, Mrs Karen Bish, who works closely with pupils and their families. We strive to ensure that everyone within our school community feels well-supported, as we believe effective pastoral care focuses on meeting the individual needs of each child. We strive to build trusting and empathetic relationships with all our children and their families.

Some of our children may experience social, emotional and behavioural difficulties because of other factors: these may include bereavement, loss, trauma and the necessary transitions made during this period of life, from KS1 to KS2 and from KS2 to KS3. Nurture in school can provide a safe base and support for our children as a stepping-stone to independent, effective learning.

Pastoral care underpins personal development, and we know from experience that with outstanding pastoral care, children feel they belong and their self-esteem is able to flourish because they feel valued and cared for. Supporting the pastoral needs of pupils sometimes involves working with the family and external agencies. In these situations, we ensure that a confidential, professional, non-judgmental and sensitive service is provided.

SPECIAL EDUCATIONAL NEEDS AND DISABILITIES

Some children have specific differences in learning, behaviour and physical abilities. Identification of these needs is important so that arrangements can be made in order to ensure that every child can *'Learn, Enjoy, Achieve.'* We have a strong record of helping children with SEND succeed. Talk to our SENDCo, Miss Evans, for more information.

Fundamental Principles:

- A child with special educational needs should have those needs met.
- The views of the child are sought and taken into account.
- Parents have a vital role to play in supporting their child's education and will be involved every step of the way.
- Children with special educational needs have full access to a broad, balanced and relevant education.

As a school:

- We encourage children with SEND to participate fully in their school and community and to take part in decisions about their education.
- We promote high standards of education for children with SEND.
- We work closely with other statutory and voluntary bodies to provide support for children with SEND. Meeting the needs of children and young people with SEN successfully requires partnership between all those involved – Local Education Authorities (LEAs), schools, parents, pupils, health and social services and other agencies.

Under our **See the Child** scheme, we offer additional support for children and their families to ensure their needs are catered for and that the child's potential is maximized.

Parents of children with SEND and disabilities are advised to speak to us prior to admission to discuss any reasonable adjustments required so we can plan accordingly. Any children with SEND and disabilities who start in our Early Years setting, receive additional visits and more extensive meetings take place with nurseries and parents to ensure all needs are catered for when they start with us.

THE SCHOOL DAY

Registration:

We use a computerised registration system, completed at the start of both the morning and afternoon sessions. Please ensure your child arrives at school in good time so they can be registered promptly.

The classroom doors will open at **8:45am**, and the school gates will be opened slightly earlier to help reduce congestion. The bell to close registration will ring at **8:50am**.

Any child arriving late should report to the school office to ensure their attendance is recorded and so school dinners can be ordered.

KEY STAGE	MORNING SESSION	AFTERNOON SESSION
EYFS	8.50am – 11.50am	12.50am – 3.20pm
Key Stage 1	8.50am – 12pm	1pm – 3.20pm
Key Stage 2	8.50am – 12.15pm	1.10pm – 3.20pm

Attendance:

At Marus Bridge Primary School, we believe that good attendance gives children the best chance of success and helps them develop important life skills. Evidence shows that pupils who attend school regularly make better progress both socially and academically.

Reporting your child's absence:

If your child is absent due to illness, please contact the school office by 8:45am, either by phone or through ParentMail, and provide details of their symptoms (e.g., stomach bug, high temperature, chicken pox).

Where possible, please arrange medical appointments outside of school hours. If this cannot be avoided, inform the school office as soon as possible and provide evidence of the appointment – such as a letter or text message–so we can record it correctly and authorise the absence.

If your child needs to be absent from school for any reason other than illness or a medical appointment, please complete a Leave of Absence form, available from the school office.

At Marus Bridge Primary, we know that inspiring learning often happens beyond the classroom. That's why we are committed to providing children with exciting, memorable experiences that spark curiosity, deepen understanding, and bring learning to life.

Throughout the year, pupils have the chance to step into the wider world through enriching educational visits. From engaging museum and theatre trips to exploring places of historical and geographical significance, our visits are carefully chosen to ignite interest and strengthen classroom learning.

For our Upper Key Stage 2 pupils, the adventure goes even further. We offer unforgettable residential experiences designed to build confidence, independence, and teamwork. Recent trips have taken our children to destinations such as London, Boreatton Park in Shropshire, and Winmarleigh Hall in Lancashire.
