# Exciting News!

## Department for Education FREE Breakfast Club

You may have seen in the press, that St James has been chosen to run one of the Government's Free 'Best Start' Breakfast Clubs! These aim to ensure that all children, from Reception to Year 6, start their school day with a nutritious breakfast, helping them to be ready to learn.

COMING  
SOON

Starting Thursday  
3<sup>rd</sup> September

As you know, St James already has a very successful Breakfast Club which we call 'Seashells' and a wonderful team of kitchen staff who are committed to providing the best meals for our children!

Read on to find out more about how when the free breakfast club provision will open, what things will change and what will remain the same to ensure that as many members of #teamstjames as possible will benefit from our revamped breakfast offer!

### IN THE NEWS!

David Baines, MP for St Helens North has welcomed the announcement stating:

"I am absolutely delighted that St James CE Primary in Haydock will be one of the next schools to benefit from the government's free breakfast club programme from this coming September. It is already a fantastic school and the staff work so hard to give every child the best start to every day, and I am sure that this - as well as the new school-based nursery opening in the autumn - will make it even better!"

### What will stay the same?

The club will be run by staff the children know well!

Our own Kitchen Staff will serve breakfast with a smile each day!

The children will get to enjoy lots of fun and games indoors and out!
