LDST Promise Fund Raising 2026/7

w/c 9th Nov 2026

New Hope School and Orphanage Uganda

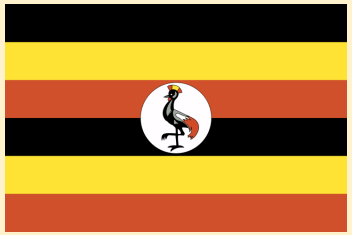

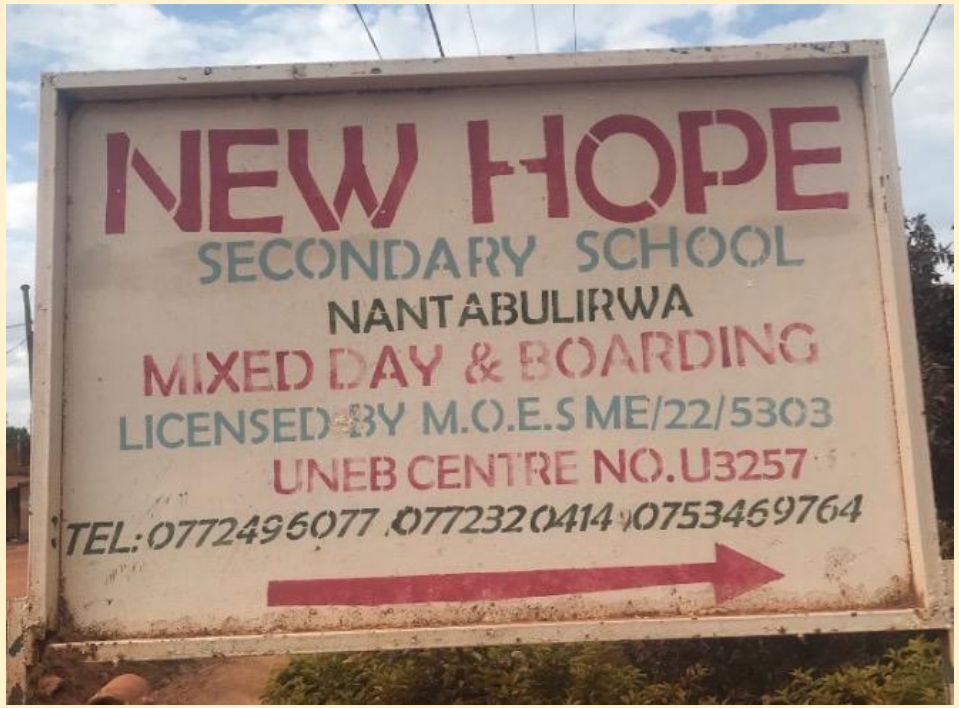

LDST
Love - Discover - Serve
Thriving Together
Our LDST Promise

LDST
Liverpool Diocesan Schools Trust

New Hope School & Orphange

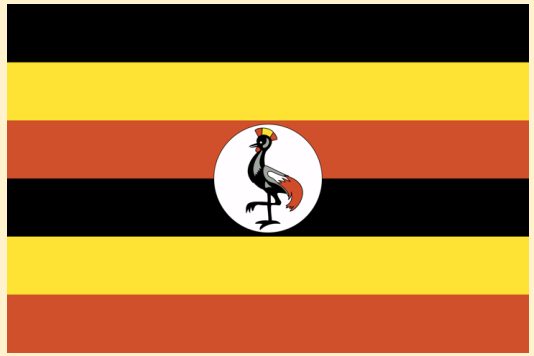

The school is in a town called

Nantabulirirwa

Nantabulirirwa is near to the city of Kampala

Kampala is a city in Uganda, East Africa

Although Uganda is a very poor country, it is beautiful and is home to lots of amazing wild animals!

The School

- New Hope was founded in 2005 with **50** children on roll

- Currently
- Early Years 70 (40 Boarders)
- Primary 391 (187 boarders)
- Secondary 349 (192 boarders)

- **Total Pupils – 810 (Nov 2024)**

- Approx 50% of total pupils are boarders

- (age 4 – 18 years)

During the half term holidays in February 2023, Mrs Dwan, Miss Kidman and Mrs Robinson, staff at St Andrew's Maghull, went over to New Hope School & Orphanage in Uganda to support the children & staff on behalf of LDST schools.
St Andrew's have been sponsoring a child there for several years and wanted to involve as many LDST schools as possible in the sponsorship programme and fundraising

Lots of LDST schools have taken part in fund raising days for New Hope during January 2023 , July 2024, March 2025 and November 2025

19 primary schools

Our LDST Promise

Rationale

Rooted in our Trust values, our LDST Promise ensures every child benefits from high-quality enrichment opportunities that inspire them to ***Love, Discover, Serve and Thrive Together.***

Through this promise, we nurture compassionate, curious, and confident young people, ready to face the world with a ***heart full of love***, a ***mind open to discovery***, a ***spirit of service***, and a commitment to ***thriving together across our Trust***.

This shared commitment unites our schools and communities, providing opportunities to share ideas, achieve common goals, and inspire one another to live out our vision and values.

What is our LDST Promise?

We promise that children in LDST will benefit from high quality experiences and opportunities that enable them to **Love, Discover, Serve and Thrive Together.**

Through our LDST promise, our children will:

- **Love** and understand the importance of love in relationships and communities
- **Discover** and be curious, confident, lifelong learners
- **Serve** others, to make our communities a better place
- **Thrive Together** - collaborating as kind and empathetic individuals ready to contribute to a global society

This year as part of our LDST Promises, our wonderful LDST Y6 children across the Trust, are planning and organising fundraising on 11.11.26 for New Hope school and Orphanage!

Love
and understand the importance of love in relationships and communities

Year 6		**Thriving Together** Leading a common cause across schools empowers children to act as united changemakers in their final year. **Agents of Change** Children plan and lead fundraising for a shared Trust charity initiative - New Hope.

During the past four years, lots of exciting activities have taken place, across LDST schools, to raise money for New Hope School and Orphanage and to also raise awareness of how some children live, in Uganda.

Own clothes day, Uganda topic day, danceathon, skipathon, cake sales, Ugandan craft day etc, all raised awareness and funds for much needed resources at New Hope.

New Hope

PIC•COLLAGE

LDST schools have raised over £14,000 since 2023, which has massively improved the lives of the children at New Hope!

What has the money raised from LDST schools, bought at New Hope?

Mattresses for the children in the nursery nap room

Three lots of shelving for the nursery to store reading books that St Andrews donated, as well as dishes, equipment etc

Educational displays for the nursery walls – LDST school's fund raising has also paid for an artist to go into the school and enhance the environment.

St Andrew’s fundraising has paid for four pieces of outdoor play equipment for the nursery.

LDST school’s fundraising paid for netball bibs and footballs

LDST fundraising also paid for 250 casual school t-shirts for the children

Money raised at **Glazebury, St James Haydock, Highfield St Matthews and Holy Trinity,** was used to purchase large supplies of toothbrushes, toothpaste, soap and body cream for the children at New Hope

Money raised at **Bishop Martin Liverpool**, purchased mattresses and mosquito nets, for over 70 children!

Money from **Beacon and Parish**, paid for a water tank to be purchased and installed near to the senior building. Before this tank was put in place, the children had to walk to the primary building to access water!

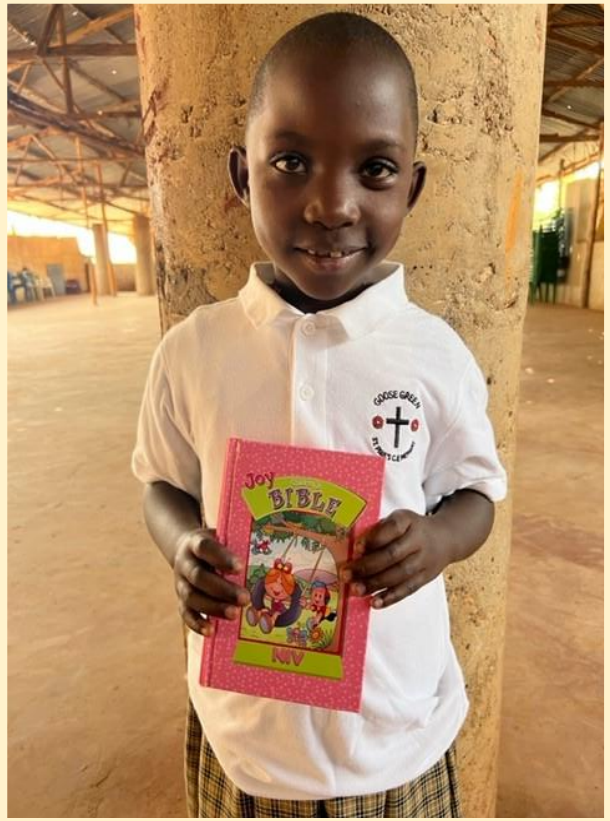

At New Hope, the children do not have many personal possessions.

A bible is one of the most treasured possessions that that children can own. Money raised by **St Paul's Goose Green**, purchased over 50 bibles for the children.

New school uniforms were also purchased for several children, with money raised by **St Andrew's, Bishop Martin Liverpool and Rainford**.

LDST Trust Prayer

A member of the LDST central team, paid for a personalised LDST Trust Prayer board for New Hope School. The board is now proudly displayed in the office of one of the founders of the school. New Hope feel so privileged to be part of our trust and were amazed by the kindness that has been shown from our schools.

Child Sponsorship

At present, there are over 800 children at New Hope with over half of the children living at the school. Approximately 350 of the children are sponsored in the UK or USA. Child sponsorship, costs £180 per year per child and this money is used to pay towards their education, food and board.

When you sponsor a child, you get regular updates, letters and photos.

LDST Sponsored children – Nov 2026

11 LDST schools are now sponsoring children at New Hope and several LDST staff sponsor children too!

How is the LDST fundraising money being spent that was raised in 2025/26?

Improvements to building work and educational resources, continues to be a big focus at New Hope, which LDST fundraising has helped to pay for. This includes:-

- Developing the water supply to the school and dormitories
- Improvements to the girls and boys toilet blocks
- Repairs to walls, floors and ceiling in the children's dorms
- New desks, chairs and storage in classrooms

New Hope School is a non profit making charity with 100% of all money raised, going direct to supporting the school community. Photographs of the work being done, will be shared with Mrs Dwan soon and she will then share them with LDST schools.

Some of the work paid for by LDST 2025/6 fund raising

Impact of your support and appreciation.

We extend our sincere gratitude for your unwavering support and commitment. Because of you the school has been able to reach different milestones by the beginning of the term we were able to;

Acquire and stock enough food for both teachers and learners install a fully working water project that benefits all students, managed to acquire dust bins for proper disposal of wastes to keep our school environment clean, the school truck was repaired and is now in good working mechanical condition.

We also acquired computer covers to prevent dust from damaging them.

Managed to rehabilitate both girls and boys toilets, bathrooms also tarmacked the compound at the girls wing.

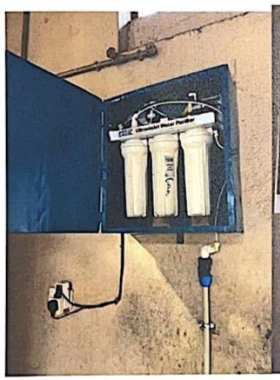

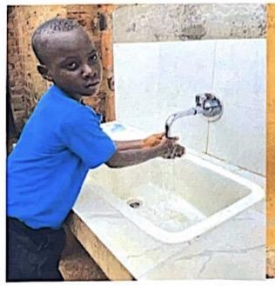

Water project.

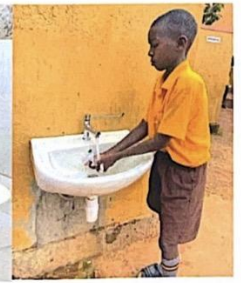

Observation has been made after students reported back and it's clear that there are no issues so far since the pump is using both solar and electricity. This has helped us keep the water storage tank full at all times without any troubles.

We have managed to supply water to all the toilets for use that is to say nursery, primary and secondary sections for both girls and boys.

There is a connected water supply to the kitchen, improving the cooks work, this also supplies water to the water purifier which provides safe cleaning drinking water for the children. However, it's only one purifier system being used for all sections. (Nursery, Primary and secondary)

The whole project was completed with the installation of four (4) hand washing purpose i.e. two for secondary and two for primary.

Education remains the greatest gift you are giving these children, a gift that will shape their futures and transform generations. As the term progresses, we look forward to sharing more updates, testimonies and achievements made possible through your generosity.

Some of the work/items paid for by previous years LDST fund raising

before

After

Several classrooms have been developed using LDST school's fundraising

Library area & books in one of the new classrooms – funded via LDST school's fundraising

Several classrooms have had ceilings repaired/replaced– funded via LDST school's fundraising

Several classrooms have also had floors repaired/replaced– funded via LDST school's fundraising

A printer/photocopier, purchased by LDST school's fundraising, to help to prepare resources for the children

Shelving and storage in the art room, purchased by LDST school's fundraising, to display the children's amazing arts and crafts

The fundraising from LDST, has helped with purchasing lots more resources for the school.
Here are messages of thanks from the children and staff

W/C 9th Nov 2026

Schools across the trust will be once again, helping to raise money for the children at New Hope School and Orphanage in Uganda.

A big thank you to LDST schools for continuing to support New Hope School & Orphanage

We hope you have lots of fun and can't wait to hear about your fundraising during November 2026!
