7th November 2022

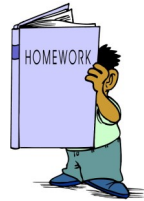

Isn't it great to Celebrate.

This term we are talking about celebrations around the world. It would like to invite parents in to talk to the children about their family celebrations. If you could help will you come and see a member of the reception team.

Homework

This weeks home learning is measuring objects around the home. We would love to see your photographs of measuring on Dojo. Maybe you could measure your family members or your bed?? We look forward to your pictures.

Don't forget
parents
evening.

Parents Evening

Parents evening is next Tuesday and Wednesday. You will be invited to make an appointment to discuss your child's progress so far.

Clothing

The weather is becoming wetter and colder so we would like to remind you to send your child in, in a warm coat and appropriate outdoor footwear and head wear.

Stars of the week

Dental Workshop

Thank you to Kathryn from the dental service for showing the children how to look after and keep your teeth healthy. Please remember save your sweets until after your meals, swill don't rinse after brushing and give up your bottles especially if you have juice..

Junk modelling

We are collecting junk modelling resources for our classroom. We have attached a list of things we can use. Unfortunately we cannot accept used toilet rolls but ask for kitchen rolls.
