

Children need to learn physical skills such as using a spoon and a fork correctly.

Challenge: Can you independently use a fork and a spoon when eating?

Please complete one challenge per week and upload pictures to Tapestry each week when you have completed this.

Please check Tapestry regularly for updates and extra learning activities for your child.

Thank you for your support.

We need to learn that we need to wash our hands regularly to stop germs spreading.

We say to the children to put soap on their hands, turn on the tap, rub hands together and inbetween fingers to rinse soap off, dry hands, put it in the bin.

Challenge: To name the steps of washing hands.

Nursery Homework

Autumn 1

Nursery is learning through play and this involves playing with toys. We have to learn to tidy our toys away when we have finished playing.

Challenge: To tidy your own toys away after playing.

We have been learning and singing nursery rhymes. The children love to listen to nursery rhymes but don't always join in.

Challenge: To sing as many nursery rhymes as you can.

Nursery is learning all about our family this half term. We will be discussing our family that we live with.

Challenge: To draw pictures of our family who we live with.

If you need any help or want to ask any questions then please do not hesitate to ask a member of staff.

Nursery are learning the names of colours.

Challenge: To name the colours of objects in and around your home.

Nursery are learning all about matching objects.

Challenge: To match pairs of socks at home.
