

Homework Year 1 Autumn 1

Struggling? Let your teacher know straight away.

Core Activities

Handed out to the children on a Friday, and due in for the following Thursday.

Maths (You must complete this activity).

This will be handed out on a Friday and can be handed in no later than a Thursday.

English Writing, Grammar, Punctuation or Spelling. (You must complete this activity).

Children will receive weekly spellings to practise at home, along with a simple activity linked to their learning in class. These tasks help to reinforce and consolidate the skills and knowledge taught during the week.

English – Reading (You must complete this activity).

The children will always have a reading book to bring home. We encourage all children to read every night. When reading, please support your child to sound out and blend words if needed, and talk about the story to help develop their understanding and comprehension. Reading books and reading records should be brought into school every day. Please remember to sign the reading record each time your child reads at home so that we can celebrate and monitor their progress.

History

In history our topic is Toys.
We are looking at Toys from the past.
Can you ask a family member these questions and record them in your book?

1. What toys did you play with when you were a child?
2. What was your favourite toy made from?
3. Did your toys make noises or light up?
4. Did your toys need batteries?
5. How are your toys different from the toys children have today?

RE

Our topic in RE is Creation and Covenant.

Creation picture

Create a scene showing God's creation.

You could include:

- Plants
- Animals
- Sea creatures
- The sky, sun and stars

Topic activities

You must complete all the core activities above (Maths, English and Reading).

Select a **minimum of three** topic activities to complete.

You can choose which activities you find the most interesting but they mustn't all be from the same subject.

Presentation must be your best!
Hand in date: 21st October

Science

In Science we will be learning all about Humans and Our Senses.

👁️ **Sight** – We use our eyes to see.

👂 **Hearing** – We use our ears to hear.

👃 **Smell** – We use our nose to smell.

👅 **Taste** – We use our tongue to taste.

👋 **Touch** – We use our skin to feel.

Can you go on a sense hunt at home? Can you find something for each sense?

Record it in your homework book.

I can see..... I can hear..... I can smell..... I can taste.....

I can touch.....

Art

This term we are learning about the Jon Burgerman

Doodles

Create your own doodle thinking about:

- Eyes and mouth to show emotion
- The lines and shapes you use
- The colours you choose for your doodle
