

Animals including humans

Year 1 KNOWLEDGE ORGANISER

Key Vocabulary		
Head		The top part of a human or an animal's body.
Body		The whole of a human or animal, including the head, brain, heart, legs and arms.
Brain		The control centre of the body.
Pupil		The black spot in the middle of the eye that lets in light, colour and shapes.
Ear		The organs, or body parts, in humans and many other animals that allow them to hear.
Sound		Vibrations, or sound waves, that we can hear.
Tongue		Moving organ in the mouth that is used for talking, tasting, eating and licking
Taste		The sense by which sweet, sour, bitter, or salty flavours are detected through taste buds in the tongue.

Human Body and Senses

What I already know:	What I will learn:
Use all their senses in hands-on exploration of natural materials. (EYFS - Humans) Name and describe people who are familiar to them. (EYFS -Humans)	Describe how animals obtain their food from plants and other animals, using the idea of a simple food chain, and identify and name different sources of food. (Y2 - Living things and their habitats) - Describe how living things are classified into broad groups according to common observable characteristics and based on similarities and differences, including microorganisms, plants and animals. (Y6 - Living things and their habitats) - Give reasons for classifying plants and animals based on specific characteristics. (Y6 - Living things and their habitats)
