Knowledge

What I already know:

- When I was born
- The human lifecycle - stages from a baby to a child to an adult.
- That my family have grown up and changed.
- That I have grown and changed.
- Know some similarities and differences between things in the past and now.

What will help me with in the future:

Old Toys	Modern (new) Toys
	
Old toys are often made of wood. Old toys were mechanical or moved by hand. Old toys were often made by hand.	Modern toys are often made of plastic. Modern toys tend to see batteries. New toys are usually made by machines.
