

Y2 Taking Inspiration from... Magical surrealism

Frida Kahlo

Kahlo's work shows:

- how the main character can be placed centrally with a background.
- how the eye can be drawn to greater detail in the foreground.
- how personality or the inner self can be captured with details.
- how colour can express feelings.
- women as strong.
- aspects of Mexican culture.

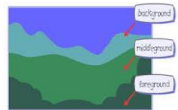

Key Vocabulary

Composition

How you arrange items on the paper.

Foreground

The part of the picture that is closest to you.

Identity

The way an artist shows their self.

Portrait
