

Learning Log Homework LKS2 Autumn 1

Literacy Spooky Story Starter Write the beginning of a spooky story set on Halloween night. Use exciting adjectives to describe the setting. You can draw a picture of your characters too!	Maths Draw a pumpkin. Inside it, write 10 multiplication or addition sums (you choose the numbers). Challenge yourself to make some tricky ones!
Science Create a simple food chain: Example: Plant → Caterpillar → Bird → Fox Label whether the animal is a predator or prey	Geography/Science Harvest Hunt Find out where one fruit or vegetable comes from. Draw it and write 3 facts about how it is grown or how far it travels to get to your plate.
Geography Antarctica Create an information poster including What is Antarctica like? Where is it? What animals live there? Include any other interesting information you find.	Art Autumn Art Collect some autumn leaves or natural objects. Use them to make a collage or pattern. Take a photo, stick it in, or bring in what you created.
