Where only our best is enough

14th September 2026

Dear parent/ guardian,

**End of KS2 (Year 6) SATs: Workshop for parents of children in year six and year five
Monday 5th October 2026 at 3:45pm**

If you have a child in year 6, they will be taking their national curriculum assessments in English grammar, punctuation and spelling, English reading and mathematics in May 2026. These formal tests are used to measure the progress and attainment of your child at the end of Key Stage 2.

This workshop will enable you to understand how the tests are administered, the content of the tests and what your child needs to know, advice on how you are able to help your child at home and why such support is essential preparation for transition of your child to high school at the end of year six. If your child is in year five you may also want to have an insight in to the process too.

If you are able to attend the session, please sign and return the slip below to your child's class teacher. We look forward to meeting you.

With best wishes,

Mrs Joanne B. Heap	Miss Griffiths	Mrs Rachel Taylor	Mrs Holly Moss
