

Year 3 Homework – 22nd September 2023

Times Tables Tasks

Please spend more time this half term working on times tables. I suggest 5 or 10 minutes each day rather than a long period of time.

Start on the 2's, 5's and 10's. You may go further if you want to. The aim is to recall them quickly (3 seconds) in a random order.

You may use the worksheet provided or go online on www.timestables.co.uk

Learn your times tables

At timestables.co.uk you can easily practise all of your tables. The arithmetic problems are clear and simple so you can immediately get started on practicing your tables. Select one of the times tables you wish to practise from the list below and show what you can do on the speed test, Multiplication Tables Check or printout great worksheets.

Which times tables do you want to learn?

1 times table	2 times table	3 times table	4 times table
5 times table	6 times table	7 times table	8 times table

Thank you

Mr Morris
