## CATHOLIC LIFE OF OUR SCHOOL

### St Alban's Church Website:

<https://www.stalbansatdenabymain.co.uk/>

#### Sacramental preparation –

##### First Confession and First Holy Communion

Sacramental Preparation will begin on Sunday 1st February. All baptised children in Year 3 and above are eligible to join. Registration forms are available from church.

#### Lent

Ash Wednesday falls in the half-term holiday therefore on return after the February break we will begin our Lenten journey in school

#### Fond memories and exciting times!

Children and staff watched, with fond memories and excitement, the demolition of the old Catholic Club three storey extension. We are looking forward to being able to restore the oldest part of the building and bring back the former glory of this parish building into a beautiful Nursery during school opening hours and special community space outside in the evenings, weekends and holidays.

We want our children to be involved as much as possible and last week they were part of history. The children have the option of entering the competition to design the outdoor play area for our new nursery which will also be used for Rise and Shine and After School Clubs. They can also decide on a name for our new Nursery which will be another Yorkshire Abbey link! This is our children's heritage that we wish to remember and continue to celebrate as we move into the next era.

Any parishioners or others in the community with photos of the original big lounge and the now demolished club, please email them in with a date and information of the event so we can collate a memory book/display which we want to share on our school Centenary Celebration on Friday 3<sup>rd</sup> July as well as have on display in our refurbished building to keep the memories alive forever like we have with the old school attendance registers and baptismal/confirmation log book!
