

READING

We will be reading a variety of books this term:

- **'How to wash a woolly mammoth'** by Michelle Robinson and Kate Hindley
- **'Stig of the Dump'** by Clive King

ENGLISH

We will be practising a range of grammar skills this term which will feature in a variety of text types:

- Instructions on how to wash a woolly mammoth
- Write a blurb about a new beauty grooming product
- Narrative about meeting a bronze age person.
- Character and setting description.
- Dialogue writing.
- News report writing.

Term 1: The Bronze Age

History

This term, we will be travelling back in time 4000 years to explore the lives and beliefs of people living in the Bronze Age. We will also find out how bronze was discovered and how it was used.

PE

Dance
Tag Rugby

RE

What do Hindus believe
God is like?

PSHE / RSHE

Family and relationships

ART & DESIGN / DESIGN TECHNOLOGY

- Replicating the bronze casting process using plaster of Paris
- Collage of a settlement

COMPUTING

Online Safety
Touch Typing

SCIENCE

States of Matter

In this unit, we will investigate the differences between solids and liquids; learn more about the fascinating world of gases; learn how particles behave in different states and use thermometers to make observations as water changes from one state to another. We will learn about the water cycle and we will even make it rain in the classroom!

MATHS

We will be focusing on:

- Number: Place Value
- Number: Addition and Subtraction

We will also be using TTRockstars to practise and learn our times tables. The children also have access to Doodle Maths for their homework.
