

## Ideas for Home Learning

Look out for the Traditional Tales reading challenge. Your children can collect characters as they climb the ladder to jump in the featured book.

Please choose from the following activities and investigations – of course you are welcome to devise your own based on our topic.

- Go out on a rainy day to find the biggest, widest and deepest puddle!
- Make a weather chart and keep a record of the weather every day.
- Learn how to fly a kite, asking an adult to help you.
- Make a mini book containing pictures of yourself wearing outfits suitable for each season or weather type.
- Collect rainwater in a container. How much can you collect in a week?

Thank you to those of you who are listening to your child read, please continue to listen to them read for 10 minutes every day.
