

Amethyst Class
Information for Spring term 3

Next Term our topic will be

Splendid Skies

Imagine floating high above land and sea on a bed of clouds. Silently sweeping by on a billowing breeze.

Back down to earth, let's take a walk out doors. How do we know what the weather will be like today?

Become a weather detective. Use rain gauges and wind vanes to discover the weather in our local area. Can we predict the weather with a fir cone!

Forest school for year one is on a Tuesday afternoon starting from Tuesday 20th, wrap up warm, gloves and hats because it's winter!

PE this term is on a Wednesday with Vinnie. Trainers and joggers so we can go out.

Performance by Amber and Amethyst. Watch out for the letter home.
