Splendid Skies

Geography

I already know:

- I have described what I see, hear and feel whilst outside.
- I can recognise similarities and differences from this country and other countries.
- I can draw information from a simple map.
- I understand the effect of changing seasons.
- I have explored the natural world around me.
- I know the 4 countries of the United Kingdom.

Key Vocabulary:

climate	the weather found in a certain place over a long period of time
equator	an imaginary line around the middle of the Earth where it is hottest
temperature	how hot or cold it feels
thermometer	something that measures temperature
weather	daily changes outside
weather forecast	a prediction of the weather

I will learn:

- to keep a weather diary and to answer questions about the weather.
- about some of the hot and cold places in the world.
- how weather changes throughout the year, including the seasons.
- to point to the equator, North Pole and South Pole on a map.

Weather Symbols
