Toys & Superheroes

History

Children are learning about old toys to help them understand the difference between toys people played with in the past and the ones they enjoy playing with today. They will discover that we now use a lot more plastic than wood and metal to make our toys. Many of them now use batteries and electricity and we even have games you play on a computer.

Science

Animals including humans

Discover basic parts human body

Learn about eyes, sight, ears and hearing,

PE

Dance & Health and wellbeing: the effects of exercise

1. Actions
2. Space
3. Dynamics
4. Relationships
5. My moves space, dynamics and relationships.
6. My brilliant body: performing

Computing

To understand how the internet, the World Wide Web and a browser work together.

To understand the different types of hardware used to access the internet and their functions.

To understand the difference between a website and a webpage and use a school website to find information.

RE

What is it like to be brought up in a Jewish home in the UK today?

PSHE

Citizenship: How can I help others and the environment?

Art

Drawing

Observational drawing of toys using range of drawing materials to show pattern and texture.

Painting and Collage

Pop Art

Artist: Roy Lichtenstein

Music

Introducing Instruments & Soundscapes
