ATTENDANCE

You will have heard a lot about attendance in the news and it's under scrutiny from the DfE. We are aware that attendance is an emotive subject but schools are under an increasing amount of governmental pressure to tackle this issue.

At Stroud Valley we monitor attendance for the majority of our children on a termly basis.

Notice To Improve / Penalty Notices

We have published a leaflet on the website, in the information tab that will give you further information on NTI and PN.

Notice To Improve

You may receive a NTI from the local authority if there is unauthorised absence for 10 sessions (5 days) within a 10 week period. This includes unauthorized holidays.

Persistent Absence

A child is named as being persistently absent if their attendance falls below 90%. We will inform you if this is relevant to your child and work with you to improve
