

Stroud Valley Community School

Quartz Class Reward Morning Monday 9th March

The children in Quartz class have reached their dojo target and will therefore have their reward morning on **Monday 9th March**.

They have decided that they would like to:

- Make dens
- Have time outside
- Bring in toys from home
- Have a buffet lunch

The children are allowed to come into school in *non-school uniform*.

If your child wishes to bring in a game to play please make sure it is not an electronic game and also bring it in a name bag.

They have all *picked an item of food to bring in* for our buffet lunch. In addition to this item, *please provide your child with a sandwich/roll* as this will be their lunch for the day.

Many thanks,

Miss Barrett
