## Y1 & Y2 Pantomime

On Tuesday 10<sup>th</sup> February and Wednesday 11<sup>th</sup> February, Year 1 and 2 performed the pantomime of 'Snow White and the Seven Teachers'. The children did so brilliantly and we were all incredibly proud of them for learning their lines, being brave and getting up on stage and just giving it their all! The children loved it and want to do it again! A massive thank you to everyone that came and watched, supported and helped with props/costumes, we couldn't do it without you and we hope you are as proud of your children as we are. Here are some quotes from the children:

*"It was really good, all the children spoke really clearly." - Ezra*

*"We all did good jobs." - Odette*

*"I thought the play was really good and we practiced really hard, I was scared and I liked doing it in front of the parents." - Louie*

*"It was quite exciting because there was so many people and I haven't done a play before." - Freya H*

*"I liked the way we hardly made any scenery and we used amazing costumes for people dressed up." - Emilio*

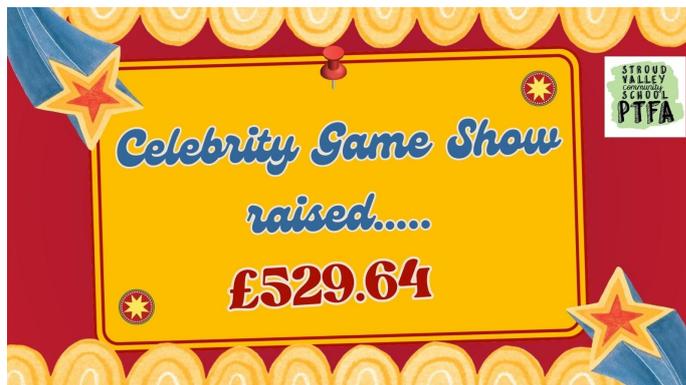

*"I think we all tried our hardest." - Lacey*

### Thank you!

A huge thank you to everyone who came along to the quiz. The night was a massive success and you helped raise an incredible amount. Also, thank you to everyone who helped, both in the run up and on the day. As always we would not be able to hold events like this without your help!

### Comic Relief 2026 - 20th March

For this year's Comic Relief, some classes have chosen to set themselves tasks using coins; how high a tower can they build? can they make a great piece of coin-based artwork? can they predict the flip of a coin and so on... If you have any spare change, please start to send it in before the 20<sup>th</sup> March and it will be donated at the end of the day when the classes have finished using it. Thank you.

### Online Safety

Our Online Safety page has recently been updated and now includes a range of helpful advice to support families in keeping children safe when using the internet and technology. We encourage you to take a few minutes to visit the page and explore the guides that are most relevant to your child and your family's online activity.
