Red Nose Day 2026

We had lots of fun today. Rainbow Class invented their own 'red nose' marble runs today to celebrate the day. The challenge was to build a marble run with a team to get the Red Nose safely down the course!

Ruby used their coins to make coin pictures and Aventurine used coins to create pictures of Ted with a red nose—Allessio's picture was judged to have the best ears!
Thanks to all of you who donated—we now have a lot of counting to do!
