

Stroud Valley Community School Newsletter

Year 6 Residential 2026

Well done to all of Year 6 on their residential this week—they were a real credit to themselves and the school. They thoroughly enjoyed themselves and took an active part in numerous sporting activities, learning new skills across many sports including roller skating, curling and pickleball. There was also lots of eating involved and the hotel buffet was demolished — they even allowed the teachers to get some sleep!

Class Cake Sale

Help Amber class raise funds by popping along to their class sale after school today. There will be lots of lovely treats, perfect for enjoying the sunshine and the start of half term!

A Step Back in Time

Amber class have been really lucky to have been visited by people who have told us all about their school experiences. The children have been fascinated and it has been amazing so thank you so much for those that gave up their time.

Yesterday we had Howard, an amazing man who told us all about growing up in Stroud, going to Thrupp school and then teaching in the local area. He taught us so much about schools, the children were enthralled and showed us the most amazing pictures of Castle Street Primary school, we could recognise the classrooms of the old building including this amazing picture taken in what is now Sunshine class in 1910! How amazing!

Indoor Athletics Competition

This week, the children did really well at the indoor athletics competition. The teams usually consist of mainly Y6 children, but because of our Residential trip this week, we sent some of our Y4 and Y5.

The children were nervous to start with but soon got into the swing of things. We are very proud of them - they were a real credit to the school!

We would like to thank Mrs Gabb for organizing the new sports kit which we were proud to be wearing.
