Better Bus Stops Project

Our Better Bus Stop designs were recently unveiled on Cornhill!
This is a Stroud Town Council project which aims at brightening up selected bus stops with artwork from local schools.

It was lovely to see the children recognise their own drawings in the design which anyone can admire who is waiting for a bus!

The QR code video is now live at the shelter so that you can learn more about the project.

PTFA

Top Play Area

The top play area is having a makeover and we are sharing the draft which includes a sensory play space for relaxation and calm. The PTFA are pleased to have been able to contribute £7000 to this development from our fundraising throughout the year. Thank you to everyone that has supported us - it really does make a difference to our children. Watch this space for more information, coming soon!

Sports Day 2026:

The PTFA will be around on Sports Day to provide ice pops and soft drinks. We will have a card machine but it is temperamental so cash is preferred. If you are unable to attend please make sure your child has some change so that they are able to buy something if they would like to

Year 6 Leavers' Dates for your diary
