

Stroud Valley Community School

Hello Families,

As you know, this week is my final week at school before I retire. I have been truly blessed to teach your children this year. Not only have they been determined learners, but they have also brought me joy and laughter every single day. They are an absolutely wonderful group of children, and it has been a privilege to be part of their journey.

As always, this week will be a busy one, and I know the children will enjoy the variety of activities we have planned.

Monday - A normal school day.

Tuesday - District Sports.

Wednesday - I have organised a virtual reality (VR) experience linked to our Geography topics. Some children will also have swimming in the afternoon.

Thursday - Sports Day.

Friday - My final day with the children. We will be enjoying a range of activities throughout the morning.

- Children are welcome to wear non-uniform and bring in a few snacks from home to enjoy during the day.
- In the afternoon, the children have asked to watch the *Alex Rider* movie, which is rated PG. If you have any objections, please let me know.

The following week, Mrs Bailey, whom the children already know, will be teaching Aventure.

May I take this opportunity to thank you for all your support throughout the year. It has been greatly appreciated. I wish you and your children every happiness and success for the future.

With warmest regards,

Mrs Butter x
