

Stroud Valley Community School

Diamond and Ruby Class Geography Skills Trip - Monday 13th July 2026

Dear Parents/Carers,

On **Monday 13th July** we will be walking to Capel's Mill and Rodborough playing fields to consolidate this term's learning about the Railway Revolution and field skills in geography (map reading and using a compass).

Your child will need a packed lunch (or if you are entitled to FSM please complete the form below and return) and a full water bottle in a backpack, as well as a sunhat and ensure you have applied sun cream to your child beforehand. We will stay in the shade as much as possible. Your child can wear their PE kit.

We will return to school after lunch so usual end of school day collection time applies.

Regards

Ms Grey & Mr Burley

I do/do not (delete as applicable) require a FSM packed lunch ☐
