Y6 Performance—'Target Earth'

What a great performance!
We all really enjoyed 'Target Earth' on Wednesday evening. There were some great songs, great lines and lots of laughter.
Y6 have worked so hard to put this together and it didn't disappoint!

Well done Y6, we hope you had as much fun performing it as we did watching it!

Thanks to all of you who came along to support us. We would also like to thank Mr Rogers and all of the TAs involved for working so hard on the overall production.

Stroud Valley Sporting Heroes

In September we decided to dedicate a board to the sports stars of Stroud Valley. Children were invited to send in photos of themselves with their medals/awards and info of any outside competition they have taken part in to go on the board so we can all celebrate their successes.

A huge congratulations to Charlie Newns for being the 1st pupil to receive the 'Stroud Valley Sporting Heroes' award! Your achievements throughout the year, in and out of school have shone through. Your determination, humbleness and sportsmanship are a credit to the school. Well done Charlie!

Slip and Slide

Y6 had chance to cool down this Wednesday whilst having a great time at the Slip and Slide. Everyone got soaking wet, including the teachers!

Happy RETIREMENT

Miss Sleep!

Thank you for your leadership, kindness & dedication

You've made a difference that will last forever

Children at the heart of everything you do!

Enjoy this well-deserved next chapter

The end of one chapter the start of new adventures

You will always be part of the Stroud Valley family

PTFA

The PTFA would like to end this year with a big thank you to all those who have helped with, come along to, and supported the events we have run throughout the school year.

The school year 25/26 has seen us raise in the region of £8000 and helped fund another playground redevelopment. None of this could have been achieved without the overall community spirit which this school has in abundance!

We would also like to say a special thank you to Miss Sleep. She has supported and helped the PTFA every step of the way and we genuinely could not have asked for more. The improvements to the school funded by money raised will be her legacy to SVCS. She will be missed, but we wish her a well deserved retirement.

Fond Farewells!

Not only are we saying goodbye to Miss Sleep this term, but we have also had to say goodbye to our beloved Mrs Butter who has retired. She taught in Aventurine for almost five years and we thank her for her enduring compassion and the serenity that she brought to her class and staff alike!

We also say goodbye to Miss Coleman, our Amethyst TA who has done a great job in supporting Amethyst Class this year. Miss Coleman is moving onto pastures new and we wish her all the best in her endeavours!

Teachers Race

As it was so hot during sports day, the Teacher's Race was rescheduled to Wednesday. This year the PTFA kindly funded some snazzy new outfits which caused much hilarity! Mr Pearson (T-Rex #2) was the winner, hotly pursued by Mr Bauert (the big blue scary shark!)

Good luck Year 6!

Lots of love from all of us here at Stroud Valley xx
