

What we've been up to!

Friday 26th June 2026

Class Assemblies' continued this half term with Year 3 telling their families all about the Romans and their trip to Chester. Thank you to all of our families who came in to support the children.

Trips—Reception, Years 2, 3 and 5 had a fantastic class trips recently.

Reception class went to Farmer Ted's for the day to meet the animals, groom a pony, watched a sheep show and had a tractor ride through the dinosaurs. Phew! Year 2 had a day at Outdoor Elements challenging themselves and making bread over a fire; Year 3 had a great day in Chester being a Roman soldier and marching the streets and Year 5 enjoyed a variety of activities, such as fencing and Jacob's ladder.

Reception Class also invited their special person into school to join them for a Father's Day Breakfast; it was lovely to meet so many dads and granddads but it was also really lovely for them to meet up.

Guitar Concert—families were welcomed into school to watch their child perform in the Music Concert—we have some very talented musicians out there—thank you to Mr. Higginson from Bolton Music Service.

Green Flag Award 'with distinction' has arrived. Mrs Brierley and her Eco team have worked incredibly hard to achieve this—amazing work!

Move Up Day—Wed 1st July

We are delighted to be able to do 'Move Up day' which is when each class will move up to their new class for the day to experience school life in their new year group. At the start of the day, the children will enter school via their new classroom. So for example, current Y2 will enter school via the Y3 classroom door. They will then spend the day with their new teacher. At 3.00pm all children will go back to their original classes and will be dismissed from the door at which they currently exit from at 3.30pm. We understand that the High Schools have already contacted current Year 6 pupils to arrange various transition visits, therefore if your child in Year 6 is not on a transition day to high school they should come into school as normal but in their PE kit please. Our new Reception families have all been sent an individual letter with their arrival and collection times. Lunch arrangements remain the same for the day and all children should come to school wearing their school uniform with the exception of current Reception class, who should wear their PE kit please. Please see email sent today for more detail. Thank you

- Calendar of Events

Wayoh Footpath—Notice of closure for repairs

United Utilities have informed us that they will be closing the footpath that goes over the Wayoh reservoir from August until around April for repairs. This will of course impact on any families who walk to and from school this way so please take note and use an alternative route. This will also impact any circular walks around the Wayoh reservoir so please share this message to family and friends, thank you

Sports Day

The weather was super kind to us for Sports Day and we had a fabulous day outside. The children competed within their houses and the older children helping, supporting and encouraging the younger children. It was lovely to see and we were (as always) extremely proud of each and every one of them. Thank you to parents and families who came along to watch and cheer the children on. There are lots and lots of photos on our Face Book page—please do take a look. Special thanks goes to Mr. Darby, our PE Lead for superb organization and the team from Canon Slade who came to help and the PTFA for providing refreshments all day.

Year 6 Leavers Assembly

Year 6 are very nearly at the end of their time here at Edgworth, before they move up to their High Schools. This is a time of huge celebrations for these children as they leave us to embark upon new adventures. As part of these celebrations, we invite all Year 6 parents to their Leavers Assembly on the last day of school, Friday 17th July, at 2.45pm in the school hall. I have to tell you in advance that lots of tissues are usually used so please be prepared!!

Careers & Aspirations

We must say a huge thank you to Mrs Sears who has arranged for lots of visitors to come into school to talk to all of the children about their careers to give them inspiration for the future. We have had a fabulous variety of visitors including vets, sports personalities, sports journalist, law experts, mental health and wellbeing, dry stone wall expert, shoe trimming of ponies, a pilot, an artist and author and an electrician. We also would like to thank all of the visitors who gave up their time to come into school to share their careers, this was very much appreciated by all the pupils and staff, thank you!

PTFA News

We were all very much looking forward to the PTFA Summer Disco tonight but, unheard of in the north of England, we have had to postpone it due to the heat! New date to be issued soon.

Also looking forward to the World Cup Party event on Friday 10th July 3.30-5.00pm, please do come along.

If anyone would like to join the PTFA or has a great idea for an event, please send an email to:

edgworthPTA@outlook.com

Thank you once again for all of your support, you have been amazing, PTFA

Netball Team—Champions!

Our Netball Team have been competing in the DPSSA Netball Tournament which concluded recently with them winning the tournament and being crowned the champions 2026! The team showed outstanding teamwork, determination and skill throughout all the matches and we are incredibly proud of their achievements and how they represented school, both on and off the court. Congratulations to them all and to Miss. Williams, our PE lead for her expert coaching, to Mr. Darby and to all the parents and families who have supported them along the way.

Cricket Team

This week, our Y5 & 6 hardball cricket team had the incredible opportunity to represent our school at the ESCA North Finals, held at Aysgarth School in North Yorkshire. Although we were not successful on this occasion, we couldn't be prouder of the way our team represented both themselves and our school throughout the whole day. Their determination, teamwork, resilience and sportsmanship were a credit to everyone, and they created memories to last them a lifetime. Also huge thanks to the parents for help with transport and the enthusiastic support, we really appreciate your help.

Calendar of Events

The complete school calendar of events can be found on the school website, under the Parents tab, Term Dates and will be the version that is kept updated. If there are any changes or new additions to the calendar, we will highlight these in amber for your ease. Paper copies can also be collected from the school office.

Tuck Shop on Mondays

Please note that we are no longer serving a tuck shop service on a Monday; this is to align the infants and juniors. If your child would like a mid-morning snack, please send in a healthy snack, thank you

General Information

Safe Parking—just a reminder to please park safely and considerately when dropping off or collecting your children. Also just a little reminder to please not park on the side road into school or anywhere near the school patrol crossing, including on the bend opposite the Black Bull pub. We only ask our families these things to try to keep everyone as safe as possible. Thank you for your co-operation

Wishing you all a peaceful and relaxing weekend. There are some fabulous photos our Facebook page of our school in action! (via the school website www.turtonandedgworthprimary.co.uk), please do have a look.

Mr. Wheatley
