

Mi casa

phonics

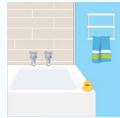

ca sound in:
• casa

ci sound in:
• coccina

cu sound in:
• cuarto de baño

&

accents

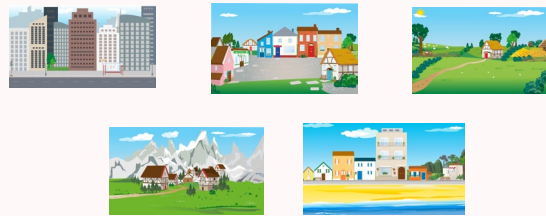

Accents on vowels mean that you stress that syllable, for example:
sótano and sa**l**ón.

vocabulary

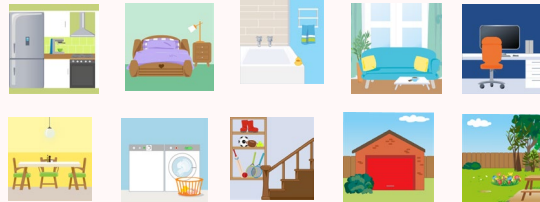

2 types of home:

5 different locations:

10 rooms/places in the home:

grammar

To understand better the role of gender in the choice of indefinite articles/determiners.

un

Singular determiner
'a/an' for masculine nouns

una

Singular determiner
'a/an' for feminine nouns

To recognise plurality in nouns:

un dormitorio → dos dormitorios
un cuarto de baño → dos cuartos de baño

To learn to use the negative form in Spanish to express
there isn't.../there aren't...

En mi casa **no** hay...

What I will learn:

- ☐ Objective 1: I will learn to recognise and recall 2 types of home and 5 different locations in Spanish.
- ☐ Objective 2: I will learn to recognise and recall 5 rooms in the home in Spanish.
- ☐ Objective 3: I will learn to recognise and recall 5 more rooms/places in the home and use the conjunction 'y' (and) in Spanish.
- ☐ Objective 4: I will learn to use the negative form in Spanish and the conjunction 'pero' (but).
- ☐ Objective 5: I will use all my new knowledge to give a presentation about where I live in Spanish.
