Our school catering service continues to go from strength to strength and proves a popular choice for our children. We offer a wide choice of food each day including a choice of hot meals or a “light bite” option e.g. Sandwich.

The menu has been nutritionally balanced to ensure a healthy diet is achieved. Many of the ingredients are now sourced from local providers and delivered daily to ensure absolute freshness. We hope that this trend will continue to guarantee the best possible meals are being provided.

All meals are served with a drink, either water or milk which the children can access.

We kindly ask that you inform the kitchen or school office of any dietary requirements.

The lunch menu is set on a two-week rolling basis.
