

English

Practice your weekly spellings.

Try to read every night (even a couple of pages is great!)

Use your phonics flash cards.

Maths

Practise number bonds to 10.

Practice your number formation and spellings of numbers.

Art

Go on a walk around your local area and find some natural items, draw round them to create a beautiful piece of art!

Geography

Draw a map of your journey to school.

Can you label the features?

Science

Find items around your house, draw and label what materials they are made of and what properties they have.

Physical Education

Practice the fundamental skills that you learn in school when you are on a walk or playing outside.

Year 1

Homework Menu

Autumn 1

25/26

Happy Minds

Create a poster about the different parts of the brain and what they help you do.

To Know You More Clearly

Draw or create a landscape of what creation means to you.

Celebration Date

Thursday 23rd October 2025
