

Art

Using natural materials in your garden, such as sticks, leaves and soil, create a Stone Age-style piece of artwork of an animal of your choice.

English

Write a detailed description of The Iron Man's body.
Use adjectives to describe.
Write a diary entry as Hogarth, keeping us updated on what is happening with the Iron Man.

Science

Keep a log of how many plants you see on your journey to school. Notice if they have leaves and if they are in direct sunlight in the morning. Check again on your way home from school.

Maths

Practice 3x, 4x and 8x tables.
Use a ruler to measure a range of objects in your home, in centimetres. Then, order these objects from smallest to largest.

Year 3 AA Homework Menu Spring 2026

Design Technology

Make your own Iron Man structure out of recyclable materials, just as you envisage him from the descriptions in the story.

To Know You More Clearly

R.E

Write about a journey you have made, illustrate it and explain why it is memorable.

ICT

Create a digital collage of all your hobbies and interests. Can you include text and images?

Geography

Can you find the name of a river in each continent of the world?
Draw and label your own water cycle diagram.

Physical Education

Practice moving whilst bouncing a ball. Use a range of throwing techniques to aim at a target.

Celebration Date

Thursday 26th March 2026

PSHE

Create a poster showing 5 things you are grateful for and why.
