

# Taywood Nursery School

## Admissions Policy

The admissions policy for Taywood Nursery School is set by Lancashire County Council.

Taywood Nursery School is able to offer funded places for children the term after they turn 9 months old. This includes 2 year old funding places and three and four year olds for 15 funded hours per week either in AM or PM sessions.

30 hours of funding is also available for eligible working families.

Paying places are available for children aged 9 months to 4 years. Nursery will ensure that FEE2 (funded) places have priority by ensuring that places are left available for FEE2 children to start each term throughout the year.

We have places for the following in each morning, or afternoon session for the following:

- Nine places in each session from 9 months old
- Fifteen places in each session from 2 years old
- Sixteen places from 3 years old (not in their pre-school year)
- Thirty-two places from 3 years for those children in their pre-school year

- For criteria 4 above, siblings are defined as brothers, sisters, step brothers, step sisters, half brothers, half sisters, adopted and fostered children living with the same family at the same address
- In relation to 6, measures will be in a straight line (centre of building to centre of building)
- Criteria 6 will be used as a tie break should there be oversubscription within any of the stated admission criteria.

In most cases, we are able to admit children according to parental preference. However, occasionally we do receive more applications than there are available places. In that event, parents may seek a place at another Nursery and can also request that their child's name is placed on a waiting list should a place become available here.

Please refer to the Lancashire County Council Nursery Admissions Booklet for further information.

### **Extended Provision**

In relation to the extended provision and increased flexibility there may be the need for prior contact with individual applicants about their requested hours and/or pattern of provision. This may lead to negotiation and agreement about what is available at that setting. Referrals to other local providers as possible options may also be an outcome. In addition, shared provision may be suggested as a consideration in certain circumstances. Any discussions which are necessary will be aimed at meeting the needs of applicants by signposting provision at that setting and in the area as a whole and highlighting the overall strategy of flexibility.
