Our Learning

Seedlings

During our What's in the Box, we have been learning to imitate longer sequences of play, such as feeding the dog or baby. We have also been using our muscles to pull, tear and squeeze play dough.

Orchard

We continued our learning about different materials. The children have been learning the words, 'wet', 'dry', 'cold', 'bumpy' and 'sticky'. They enjoyed the concept of melting the most, as they explored the ice. We have been on a walk around nursery, finding real bricks to link into the story of, 'The Three Little Pigs'.

Acorn

We have been working on our fine motor skills, learning how to use scissors safely. We created houses out of clay, which linked to the core story, 'The Three Little Pigs.' Our rhyme this week is, 'Two Little Dickie Birds'. We have also been mark-making, writing X by crossing two lines.

Willow

The teachers have been impressed with how the children are learning to work together as a team, both in class and in Nature Club. We have lots more pictures to share on our Facebook page from Willow's learning this week too.
