### Harvest Food Collection for our Pantry

From **Monday 6<sup>th</sup> October** we are collecting non-perishable food items to donate to our new Pantry at the front of school. The new pantry is organised by our Global Responsibility team to support families who need it. Please place items in the basket in the Main Entrance. Any donations will help us keep our pantry stocked up.

Thank you in advance for supporting each other.

### Grandparents Day

As part of our topic 'Wonderful Me' we are inviting Grandparents into Nursery to take part in some activities with their Grandchild on

**Tuesday 7<sup>th</sup> October at 3:15pm – 4:15pm.**

If your child's Grandparent would like to attend the session, please let your child's key worker know their name. If you are arranging for a Grandparent to collect on the day and they are unfamiliar to us, they will need to provide a password.

This is a lovely opportunity for different generations to be involved in Nursery.

### Every Child is an Artist

We will be promoting Art Skills across the school the **week beginning 13<sup>th</sup> October**. The children will get the opportunity to be creative using a range of different Art Materials. We are excited to see what the children produce.

Happy **Diwali**  
Festival of lights

### Diwali

This year the children will be taking part in Diwali celebrations within the rooms.

### Black History Month

During **October**, the staff will be planning activities in the rooms to celebrate the amazing contributions black people have made in shaping the dynamic and diverse community we have today. If you would like to be part of our learning opportunities, please speak to your child's key worker.

### Parent Workshop

We are holding a parent workshop for any parents who have children with Special Educational Needs or feel their child could have any additional needs. Please come along to speak to our SEND Team to learn about our processes, share your concerns or ask questions.

**Friday 7<sup>th</sup> November at 9:00am.**
