### PLEASE DROP YOUR CHILDREN AT SCHOOL SAFELY

On Wednesday morning, we received a call from a very emotional lady who had just experienced what she called a 'near miss' on Ollerbarrow Road. She said a male driver had parked on the 'wrong side of the road', meaning the passenger door was next to the road. As she approached the car, the passenger door suddenly opened, and a boy wearing a Hale Prep uniform jumped out. She was very shaken by this and the thought of what could have happened if she had been only seconds closer to the car. Please consider your child's safety when dropping them off for school.

## **INSPECTION**

*On Monday morning, we received the call to let us know that the Independent Schools Inspectorate would be arriving on Tuesday morning to carry out our three-yearly inspection.*

*As many of you know, this is a rigorous and detailed inspection of every aspect of our school, from our safeguarding practices to the children's learning and education standards, and it takes three full days.*

*We are not able to share the final outcome as yet, but the feedback was extremely positive, and we will forward all the details to you once the final report comes out, which is usually within two months of the inspection*

*We would like to thank all our parents for the support you have shown us. Your children were a credit to us all!*

## **PTA PADEL TOURNAMENT**

*The PTA Padel Tournament has proved to be hugely popular and was virtually sold out within 10 minutes of going on sale! At lunchtime today, a few women's places were still available. If these are not sold, they will be opened to the men, so those who missed out can try again!*

*Thank you for your support of the PTA and this event.*
