ATTENDANCE	Congratulations to Year 3 and Year 4M on achieving 100% attendance this week						

DODGEBALL

On Monday evening, twenty of the Year 6 children took part in some friendly dodgeball games against Stamford Park. In total, the children played 12 games, with Stamford Park winning seven to Hale Prep's five. Well done to all players, and thank you to the parents who came along to support.

PTA PADEL TOURNAMENT, SUNDAY 8 MARCH 2026 – Message from the PTA

“We had a fantastic turnout at the PTA Padel Tournament last weekend. Thank you so much to everyone who participated and supported this event. It was a morning filled with energy, friendly competition and plenty of fun (both on and off the court!) The PTA is all about uniting the school community, and it was wonderful to see so many parents, children and staff come together to take part and cheer each other on. It also raised a healthy £400 for the junior playground renovations!

A special congratulations to our winners: Imran and Ankur (Year 6 and Year 3 dads) who took the men's title, and Amelia and Federica (Year 1 mums) who were crowned as our women's champions. A brilliant effort from all of them – well done!

There have been some enthusiastic murmurings about a PTA Summer Golf Tournament if you'd be interested in organising this, please get in touch with Lara W!

Thanks again everyone and wishing you a lovely weekend,

The PTA Committee”

BOYS' FOOTBALL TOURNAMENT – Mr Connor

On Tuesday evening, the 'A' team played four matches. They played some lovely football, but what was most pleasing was the way the children supported each other and never gave up. As a result, they won one, drew two and narrowly lost the other. Many congratulations to Deen, Henry, Martin, Sky, Georgia, Sam, James, Poppy and Kannan. Many thanks to the parents who came to support the team.

BRITISH SCIENCE WEEK

Thank you to the parents who came in to school this week to talk to the children about their science-related careers. They spoke about their fields, how they became interested and why science skills are so valuable and exciting. The goal was to help pupils see the wide range of

careers that science can lead to, and to meet real people who use science in their everyday work.

CALLING ALL YOUNG CRICKETERS - ALL STARS & DYNAMOS CRICKET! - Mr Busby

YEARS 3 AND 5 RESIDENTIAL TRIPS

Year 3 and Year 5 had a great time at the Anderton Centre as part of their outdoor educational programme. Activities ranged from archery, low ropes, canoeing, bushcraft and high all-boards. Unfortunately, due to the windy weather, the Year 5 group was unable to go paddleboarding, so they visited Liverpool Castle and canoed back, which was definitely tiring for some!

The instructors at the centre were knowledgeable and made the time on the activities fly by! A lovely time was had by all. Thank you to Mrs Baker for organising the residential and all the staff who accompanied the children on the trip. Here's to next year!
