### YEAR 3 COMMUNITY ACTION FUNDRAISING

Year 3 pupils have raised over £350 for Manchester Children's Hospital by organising two fundraising events. A cake sale and a 'guess which outfit Humphrey is wearing.' Thank you to our Year 3 parents for their baking and shopping efforts to provide the cakes, and to all our parents for your generosity in supporting the cake sale after school last Friday.

The 'Guess Humphrey's Outfit' was £2 a turn. The children then selected from the poster the outfit they thought would be revealed once the layer hiding Humphrey's outfit was scratched off! The children below guessed Humphrey's outfit correctly and won a prize! Thank you to all again for supporting this amazing cause.

## RECEPTION DUCKLINGS

What a wonderful time Reception has had with their ducklings, Waffle, Sunny, David and Neil. They were sad to see them go earlier this week, but happy that they were all adopted by a Hale Prep family, and they have stayed together. Thank you so much to the Westall family for giving the ducklings a home. We hope they behave for you, and give you lots of enjoyment - and lots of duck eggs! We look forward to hearing how they get on.

## INSPIRATIONAL TALK

Year 6 enjoyed an inspiring visit from Graeme Heward, a cancer survivor who spoke about bravery, resilience, and the importance of charity work. Pupils were extremely well-behaved, respectful, and listened with great interest, asking thoughtful questions throughout the session.

## NETBALL – Miss Busby

A fantastic performance against Stamford Park. The girls worked well together, showing perseverance and amazing teamwork. Well done, girls!

## HAPPY 100<sup>TH</sup> BIRTHDAY, SIR DAVID ATTENBOROUGH

Today is Sir David Attenborough's 100<sup>th</sup> birthday, and Reception children have been planning a special day to celebrate this. First of all, the children made him some birthday cards, which were sent to him. The children were all asked to bring an animal mask to school today – either homemade or bought – as one of their current topics is 'Animals and their Habitats', and who knows more about this topic than Sir David! The array of masks was quite spectacular, as you can see below! The children have played animal party games and had an animal-themed picnic. We hope Sir David has enjoyed celebrating his day as much as we have!
